- Kol's Koastal Kruise, 50 to 60 cars, didn't stop at Queenscliff this year instead went to the Rip view look out at Point Lonsdale, then back to the club rooms for a BBQ lunch.
- Marsh Rodders drag racing fun day, 80 entries only a couple from Geelong, good weather quickest rod was Taranto's roadster with a 10.2.
- Garage crawl only 2 remembered so this one was cancelled.
- Wagga Wagga swap, Col and Mick made the road trip, brought back as much junk as Mick's car would hold.
- Sydney Chrysler swap, Peter happened to be in Sydney and was dragged along to this, faire size with lots of good Valiant stuff.
- Dyno Day, disappointed that only 8 cars presented on the day, however Brad took out top horse power. If held again next year, the Club will supply a trophy.
