## **General Business**

- *Ian Harris – after carefully scouring the current constitution, believes that an inclusion may be required to cover Members who constantly exceed the speed limit. Members will not be named & shamed – but the inclusion may be inserted as the “TD Clause”.*
- Club & ASRF Fees are both due by the next meeting. ASRF fees are \$88.00 Please forwarded asap. Please don't send in your ASRF fees to them – pay thru the Club. This helps us to maintain who is a member. Don't forget if you wish to attend the 2011 Nationals you need to be member of the ASRF. The Secretary ? Treasurer was instructed NOT to follow up members who have not paid their dues. This is the responsibility of the individual. Thanks to the many members who have paid their fees early
- Directory Update – Update forms have been circulated to all members. Please return them by the next club meeting.
- Nominations for all committee positions were accepted for the club elections at the July Meeting. If you are unable to attend and would like to Postal Vote please contact Dave Murphy 0418 530416
- A copy of the Constitution will be supplied with the updated Club Directory. This will be with the July or August Newsletter
- Our new Honour Board has been supplied – thanks Porky. Now for Greg to wave his trusty brush to signwrite it
  
- Clubroom Update. Discussion took place on whether we could extend the hall to meet our needs. Suggestions: Extend current extension, push out the North wall, build a veranda similar to the Tennis Club. Greg has contacted Jenny Ziensta at the Cof GG. We would need to submit a Building application. We would need to formulate our ideas, check our lease options and to have proper drawings to submit. Discussions and commitments would have to be sought from club members – in particular the “tradies” to pull it together. Further discussions will take place at the next Committee Meeting.
  
- Lukey advised that the HOG's Breath Café in Ballarat is prepared to offer a special deal for members attending on the 28<sup>th</sup> June.
  
- Following a request from Greg as to ideas for club runs, it was proposed that the Otway Flyover may be a suitable run. The committee decided that the programme for Peterborough may not allow enough time to attend – a date later in the year will be reviewed.
