QRR 2010

- We still require committee members to assist with organising the Run. The Monahan Centre is not available due to reconstruction. Alternative entertainment is being looked at in place of the dance. Eg Drive-In theatre on the oval, extend the size and popularity of the Saturday Night Cruise, Band in the street. Use of the Cricket Club for Registration.
- Sponsors forms have been distributed. Money is still tight so we need to approach our regular sponsors early PLUS look at new sponsors. Perhaps some of our newer members may have some new contacts.

Best Clubman Award

Congratulations to Greg Morrissey for taking out the 2009 Award

Web-site & Newsletter

We are currently trialing our club site to distribute our newsletter. We will continue a posted ‘hardcopy’ as well until the end of the year, unless you have indicated that you prefer to continue this method. However if you like the ‘hard stuff’ consider just printing it off the website yourself.

You will also see some changes to our website. The newsletter will be on their along with club minutes, Queenscliff Entry Forms and hopefully soon upcoming club events, club directory, contacts for people wishing to hire Wedding Cars and the possibility of linking club members businesses that you may wish to promote
